

The **Emerson-Garfield Farmers' Market** is entering its lucky thirteenth season and invites growers, ranchers, farmers, bakers, specialty vendors, artists, chefs, artisans, crafters and musicians to participate.

Overview: The Emerson-Garfield Farmers' Market is an initiative of the Emerson-Garfield Neighborhood Council. Additional support comes from committed local organizations. Its aim is to foster a sense of community while providing access to unique artisanal products and fresh, affordable food that is grown or raised locally.

- During the 2025 season, the market will run from **June 6** to **September 26** (a total of 17 weeks). The market takes place **every Friday from 3 to 7pm**.
- The fees for the 2025 season are unchanged from 2024:
 - The full-season rate is \$250 up front, but vendors who attend at least 90% of the markets (15 out of 17) will be refunded \$100 at the end of the season, making the booth fee just \$9 per market.
 - There is an even larger loyalty discount for full-season vendors who apply and pay in full before **April 30, 2025**. They will be refunded \$125 for 90% attendance at the end of the season, making the booth fee just \$7 per market.
 - The per diem rate is \$20 per booth. At the market manager's discretion, discounts can be made on an individual basis for per diem vendors who sign up for multiple (i.e., part- or half-season) dates.
- The new market location is **Emerson Park** (1116 W Alice Ave, Spokane, WA 99205).
- Thanks to support from Catholic Charities, the market will once again be accepting EBT (aka Quest, SNAP, food stamps) as well as FMNP (or WIC) vouchers. It also participates in the Fresh Bucks program.

Important points to bear in mind:

- Application fees are waived once again this year for all vendors.
- Vendor selections will be made on a rolling basis. Payment is due within 14 days after the application has been approved and the vendor has been notified accordingly. *Please make checks out to the North Monroe Business District.*
- As this is a grassroots, community-oriented market, we expect our vendors to have a stake in its success. This means helping with promotion (e.g., Facebook, flyers) and registering to accept FNMP vouchers.
- Be sure to read and sign the Market Rules before submitting them along with your application. Please pay particular attention to the cancellation policy and the insurance policy.
- Further updates and additional info at: <http://market.emersongarfield.org>

Name of Business	
Full Name of Business Owner

Questions? Please e-mail using the address above or call (509) 255-3072.

Market Rules 2025

The Market Rules are in place to ensure that the community receives the highest-quality farm products grown or produced by local area farmers and to set the operating guidelines for market activities and participation.

1. Vendors must grow, produce or wild craft all products sold at the market. Only farm products grown by the vendor on the farm owned or managed by the seller and/or wild-crafted (wild-harvested) products (e.g., huckleberries, mushrooms) are allowed. Crafts must be manufactured by the seller with their own hands. Commercial, secondhand or imported items are prohibited.
2. Market times run from 3:00pm to 7:00pm on Fridays. Vendors should be in place a half-hour prior to opening and shall not take down their booths prior to closing.
3. EBT/Credit/Debit Program: Emerson-Garfield Farmers' Market accepts USDA food stamps (EBT cards), credit cards, and debit cards. This operates on a token system utilizing \$1 and \$5 tokens valid only at the Emerson-Garfield Farmers' Market. Each vendor is required to sign and submit the Vendor Agreement for the EBT/credit/debit program in order to sell at the market. All vendors who wish to participate in the market must provide the market manager with their weekly sales totals. Sales will be recorded on the forms provided by the market manager each week.

The market will also offer an incentive program, Fresh Bucks, which provides matching funds up to a certain amount of EBT spending. Fresh Bucks will be issued as a separate voucher much like the token currency used for credit/debit and EBT, and can be redeemed with individual vendors. No change can be given on Fresh Bucks vouchers. Catholic Charities helps administer these assistance programs.

4. WIC/Senior FMNP vouchers: Vendors must be signed on and approved to receive payment from these programs.
5. Pricing: Pricing of goods is up to the vendor; but pricing below cost, thereby resulting in the undercutting of other vendors, is not allowed. In keeping with the market's mission, we do ask that vendors keep affordability in mind. Pricing complaints or questions will be subject to board review.
6. Booth Space: Booths shall be identified with a sign bearing the farm or vendor's name. Booths shall be kept clean and orderly during marketplace times and the spaces shall be cleaned (to include the removal of all incidental trash) prior to vacating the market. All vendors who erect canopies (including umbrellas) are required to safely anchor it to the ground. Plastic buckets filled with water and secured with bungees is the common method. Whatever the method, there should be at least 25 lbs of weight on each leg of a canopy or umbrella.
7. Conduct: Vendors are expected to conduct themselves in a professional and courteous manner. Vulgar, aggressive or inappropriate language is prohibited. No smoking or alcohol are allowed on the market site. Any customer or vendor grievances should be brought to the on-site market manager and if necessary they will be brought to the governing board for resolution. Customers with a legitimate complaint about the quality of a product should be given a full refund or replacement by the vendor when requested.
8. Fees: The per diem fee is \$20 per booth space. Full-season rates are \$250 with a potential loyalty discount for 90% attendance (e.g., 16 out of 18 markets). This discount is \$125 for vendors who apply and pay on or before April 30, 2025 and \$100 after that date.
9. Vendor Approval Process: The governing board of the Emerson-Garfield Farmers' Market will review and approve vendor applications on a rolling basis. Vendors will be approved based on the market rules and goals, and to make sure we have a diverse and quality lineup of products and crafts. We desire to maintain a majority of gross sales from farm products, which might mean limiting the number of craft vendors on any given day.

10. Compliance: The vendor is solely responsible for compliance with all applicable rules and regulations governing the growing, production, and marketing of the goods.

11. Insurance: Per the stipulations of the market's policy with its own insurer, vendors agree to list the Emerson-Garfield Farmers' Market as an additional insured on their product and general liability insurance policies.

12. Cancellation Policy: The market manager must be notified of cancellations by 12:00pm on Wednesday of the same week. If notice has not been received of the cancellation, a written warning will be sent to the vendor. The second time such an occurrence happens a written warning as well as a \$20 fee will be assessed to the vendor and the vendor will not be allowed to sell at the market until the fee has been paid. A third occurrence will be grounds for removal from participation in the market. No refund of full-season fees will be given when a vendor is removed due to a rules violation.

13. Inclement Weather: The market will be canceled only at the discretion of the market manager. In the case of inclement weather or concerning weather warnings prior to the opening of market, the market manager will contact vendors to notify them of a cancellation. In the case of possible inclement weather or warnings, vendors should still arrive at the market as normally scheduled. Otherwise the market will run normally, weather permitting.

14. Public Health: Vendors will abide by all federal, state, city and market mandates and/or guidelines for safe operation during public health emergencies such as COVID. This may include the proper wearing of masks, maintaining social distancing and practicing augmented sanitary routines. Failure to do so may result in ejection from the market without refund of fees.

I have read and agree to abide by the above rules and further agree to allow the Emerson-Garfield Farmers' Market governing board access to my farm or place of production for the purpose of verifying that the products sold at the market have been grown on the farm by the vendor or hand produced by the crafter.
